Notre Dame Hockey Stars Swamp Michigan Aggies, 12-0

CASTNER FEATURES ONE-SIDED MATCH WITH SEVEN GOALS

Big League Calibre of Irish Ample Illustrated—Flinn and Wilcox Star.

Notre Dame's hockey team once more proved itself to be of big league caliber by taking a victory from the fast going Michigan Aggies in a 12-0 score. Despite the one-sided score, the game was interesting throughout, the Aggies displaying just enough opposition to keep the gold and blue going at top speed continually. Smooth passing and beautiful stick work characterized the Notre Dame play. Castner, as usual, raced the puck this and again through his opponents' defense, but his work was almost paralleled by that of Capt. Capt. Flinn. Flinn was a whole team in himself, and the Aggies were unable to stop him. Percy Wilcox came through with a great defensive performance, and stopped several Aggie rallies.

In the third period, the reserves took the places of the regulars and while they were unable to score, they displayed enough ability to warrant the statement that the Notre Dame hockey team is composed of more than six men. The game became a zig-zag affair after the scrubs went in, the puck approaching both goals alternately. The Aggies shot several vicious attempts at the goal, but Crowley was ready, and managed to get in the way of every one of them.

Irish Slow to Start.

This is the news brought in by Jack Kearns, who has arrived in New York from Los Angeles, where Dempsey is now resting after a strenuous tour of the west during which he boxed daily.

"The Champion is in splendid condition," asserted his manager. "He wouldn't require more than two weeks' training to bump off any heavyweight brave enough to get in the ring with him."

Kearns intends to keep Dempsey busy until midsummer. The bookings will depend on whether Jack makes his next fight here or abroad.

"We have an offer to show Dempsey on the big time in the east," said Kearns, "and also have several moving picture stunts. One thing is certain, Jack will not get fat or stale through loafing. He isn't like other champions I have known. His principal business is fighting and he stands ready to meet any rival who is good enough to attract a date which will repay Jack for the time he will lose in training. However, I hardly think he can get as much for a bout in this country as he can for meeting Carpenter again in England."

Castner grabbed the puck near his own goal shortly after, however, and shot down the rink, but clever blocking frustrated his attempt to score. He shot again, but a second time the Aggie goal tender blocked the attempt. Then, after taking a short pass from Flinn, Paul knocked a short, swift one through the goal tender's legs.

The second Notre Dame goal was perhaps the most spectacular of the game. Castner took the puck from an Aggie who was attempting to menace Notre Dame's goal and zig-zagged past five green stocking-skated skaters. Waltzing around the last defense on one foot, he lifted the puck and shot a perfect goal. Before the first period was over, Castner shot another goal, and the score was 3-0 when the whistle blew.

Castner Scores Again.

Soon after the second period had started Castner and Flinn crowded the Aggie goal, and the former shot the fourth point. Percy Wilcox dashed from the sidelines, and thrust a fifth score between the goalies' skates. McSorley took a pass from Flinn, and broke into the fun when he shot the sixth goal. Castner made the seventh and McSorley made the eighth on a pass from Castner.

The reserves started the third period, but they were removed five minutes before time was called, and the first string was injected. Within a few minutes, Castner and Flinn made two goals apiece. The crowd was larger than at the Culer game, and the presence of bleacher seats enabled the spectators to watch the game with some degree of comfort.

PLAY IS RESUMED IN GIRLS' LEAGUE

Play in the girls' high school intramural league was resumed yesterday afternoon in the high school gym, and a good quality of basketball was displayed. Girls' activities in athletics are arousing considerable interest under the direction of Coach Doris Bishop, and already the nucleus of the varsity five is being selected.

The Seniors wallowed the Sophomores and the Juniors defeated the Freshmen in the games yesterday. The Seniors won from their rival 20 to 15, while the Juniors won 27 to 4. Wilma Layman was the individual star of the afternoon's games. Her playing was the big factor in the Seniors' one-sided victory, as she alone tossed six baskets and one free throw.

Erma Heckaman scored four field goals and also played a stellar game. Alice Rogerstedt was the best bet for the Sophomore five, totaling four counters via the open field route.

CLEVELAND BARS WOMEN FROM ALL BOXING BOUTS

CLEVELAND, O., Jan. 26.—Boxers under 18 years old, will not be permitted to participate in bouts here under a ruling issued Thursday by the new Cleveland boxing commission. The commission also went on record barring women from all indoor shows, amateur or professional.

Wrestling Fans Satisfied With New Round System

CHICAGO, Jan. 26.—Chicago sport followers Thursday analyzed the first American wrestling round system, the rules providing for rounds following the contest last night in which John Meyer retained the middleweight wrestling championship by throwing John Kilian in the fourth round.

The 5,600 fans who witnessed the bout apparently approved of the method of conducting the match and newspaper comment today was favorable.

Webster Again Winner in Titular Billiard Match

Ivan Webster met with little opposition in his billiard match last night at the Oliver pool room with Joe Hull. The final score was 35 to 15. Webster stepped into the lead early in the game and was never halted. The game, due to the lop-sided score, was uninteresting from the spectators' standpoint. Webster still retains the title to the trophy to be donated by Andy Weisberg for the winner of the tournament.

CARPENTIER MOST LIKELY OPPONENT FOR JACK DEMPSEY

Jack May Tour Britain and France and Meet Frenchman in London—Kearns.

BY SID MERCER.

NEW YORK, Jan. 26.—A return match with Georges Carpenter in England next summer, now looms up as the next important ring engagement for Champion Jack Dempsey.

Unless a more worthy American opponent than yet appears can be found to match with champion at Madison Square Garden in the early spring, Dempsey will betake himself to Britain for an extended theatrical tour ending in another battle with the European champion in London.

Strenuous Tour.

This is the news brought in by Jack Kearns, who has arrived in New York from Los Angeles, where Dempsey is now resting after a strenuous tour of the west during which he boxed daily.

DON MILLER JOINS LOCAL 'Y' QUINTET

Notre Dame Freshman Star to Occupy Nyikos' Old Berth in Game Saturday.

Don Miller, Notre Dame freshman, has been selected to fill the vacancy at center left open by the passing of Mike Nyikos from the local "Y" basketball squad. The Y. M. C. A. team will be hampered by the loss of Kizer and Nyikos, who in practice last night displayed a brand or ball that should mean a win over the Armeo Legionnaires when the soldiers invade the city a second time Saturday night. The game will start promptly at 8:30 o'clock and the advance ticket sale indicates that a large gathering will be on hand.

Miller worked with the "Y" squad for the first time last night. His passing was exceptionally good, and he also displayed great speed, traying up and down the big association floor in good style. He will need only a few more workouts to accustom himself to the "Y" style of play and at the end of that period, he should step out and rival Burnham, the "ace" of the team, in scoring. Noble Kizer will be at his old running guard position and Matt Butch will be used in Alward's old back guard post. Capt. Rhodes and Burnham will play forwards.

This combination, while at present not as strong as the former one, should, within the course of a few weeks of regular practice, perform as well as they have done in the past. Burnham demonstrated in last night's practice that he is hitting the basket in wonderful style.

Holds Record.

This boy holds the interscholastic record for the discus event. He threw the discus 145 feet and 6 inches at the Santa Barbara school meet last year and recently received word from the Amateur Athletic union that the record has been accepted as official.

Houser is the latest athletic phenomenon in a region that has produced a flock of record holders in track and field events. He lacks an inch or so of being six feet tall and weighs 202 pounds.

Houser is big, as his weight may suggest. Broad of shoulder, deep of chest, thick in thigh and leg, he does not appear to carry an ounce of superfluous weight and that is unusual among the best men of Houser's chosen line of athletic endeavor—the weight events.

FIGHT FANS WILL GET TREAT JAN. 31

Welsh-Ruhlin Bout at Mishawaka Expected to Provide Plenty of Action.

Plenty of fisty action will be demonstrated for the benefit of the fight fans in this city next Tuesday evening when Johnny Ruhlin, Mishawaka welterweight, is scheduled to fight 10 rounds with Eddie Welsh, former South Bend pride. Ruhlin, who recently located in Mishawaka, has already impressed local fight followers with his ability to use his hands, and a real exhibition is expected to be staged when these two men meet. The bout will be staged at the Century theater.

Besides the main bout, interesting battles will be staged by Mickey Brennan, a former lightweight of Milwaukee, and Frank Harvey of Milwaukee. Both Brennan and Harvey are highly recommended, Brennan being known as the "fighting Irishman," while Harvey has been doing work in the Mitchell stable in the Cream city.

Red Curry, who has gained a reputation in South Bend for his ability to fight, will be stacked up against Johnny Thiel, of South Bend. With the Brennan-Harvey bout and the Curry-Thiel fight, the promoters are giving the fans two semi-windups. The opening bout of the evening will be between Danny McGowan, a Notre Dame bantam-weight, and Young Stanley, an employee of the Studebaker corporation.

Voedish has been showing great form in recent workouts. Ralston will probably see action during the game, but will not start the fracas.

Benny Ednar, who passes with deadly accuracy and who never fails to make a "dead" shot, will be seen in harness at a forward position. Olie Edwards, who has improved wonderfully during the last week in shooting, will team with Benny at the other forward berth. Upon the shoulders of Capt. Scheer and Voedish will rest the defensive play of the locals.

Light scrimmaging and an hour of basket shooting practice is what Coach Birmingham will hand out to his squad, when they report tonight at the local "Y." A game with Culver Military academy will be played within a few weeks.

DEMSEY BUYS HOUSE.

LOS ANGELES, Jan. 26.—Jack Dempsey, heavyweight champion, has purchased a house here and announced he would make it his permanent residence. He was said to have paid \$12,500 for it.

SIOUX CITY, Ia., Jan. 26.—Although 162 years old, Mrs. Mary Conover of Omaha, Neb., is an incident boxing fan. She arrived here Wednesday from Omaha to see the Moore-McArthur bout Thursday night.
